Some [people] see things as they are and say ‘Why?’ I dream of things that never were, and say, ‘Why not?’

George Bernard Shaw

I know of no more encouraging fact than the unquestionable ability of [a person] to elevate his [or her] life by conscious endeavor.

Henry David Thoreau

Life is a process of growth that is spiritual as well as physical.

Andrew Wilson

Finding a new vision and an associated new system of values is a vital component of the process of evolving towards a peaceful global society .... in searching for such a vision, there should be an objective analysis of what is offered by the religious experience: the source of the great visions of the past.

John Huddleston

The fear of the Lord [is] the beginning of knowledge.

Solomon

What the mind of [a person] can conceive and believe, the mind of [a person] can achieve.

Napoleon Hill

Whether you think you can or think you can’t--you are right.

Henry Ford

You will become as small as your controlling desire; as great as your dominant aspiration.

James Allen

Obstacles will look large or small to you according to whether you are large or small.

Orison Swett Marden

The only limit to our realization of tomorrow will be our doubts of today.

Franklin D. Roosevelt

Where there is love there is life.

Mohandas Gandhi

People can’t live with change if there’s not a changeless core inside them. The key to the ability to change is a changeless sense of who you are, what you are about and what you value.

Stephen Covey

A [person] without a purpose is like a ship without a rudder.

Thomas Carlyle

People with goals succeed because they know where they’re going.

Earl Nightengale

The greatest thing in the world is not so much where we are, but in what direction we are moving.

Oliver Wendell Holmes

Always remember that your own resolution to succeed is more important than anything else.

Abraham Lincoln

All our dreams can come true--if we have the courage to pursue them.

Wait Disney

Plan your work for today and every day, then work your plan.

Norman Vincent Peale

Failure is success if we learn from it.

Malcom S. Forbes

The only time you can’t afford to fail is the last time you try.

Charles Kettering

We are what we repeatedly do. Excellence, then, is not an act, but a habit.

Aristotle

Sow a thought, reap an action; sow an action, reap a habit; sow a habit, reap a character; sow a character, reap a destiny.

William James

Sow a thought, reap a value; sow a value, reap a commitment; sow a commitment, reap an action; reflect on that action, and the habits, character, and destiny that result will be under your control.

William Huit

These then are my last words to you: Be not afraid of life. Believe that life is worth living and your belief will help create the fact.

William James

Never, never, never quit.

Winston Churchill

Plan your work for today and every day, then work your plan.

Norman Vincent Peale
